#### Petition For Letters.

Charles H. Everett, as next of kin to Edward V. Everett, deceased, applied in the Circuit Court yesterday for the appointment of W. H. Hoopes as administrator of his estate. The heirs are C. H. Everett and Louis M. Everett of Honolulu and D. H. Everett of San Francisco, all brothers of the deceased. The estate consists of cash in the Spreckels Bank amounting to \$250 and wages due amounting to \$250.

#### Mutch Naturalized.

William Mutch, the well-known contractor, was the first man to take out naturalization papers under the Territory. Mr. Mutch's name was accidentally omitted from the list of the new citizens published in the Advertiser on Friday.

#### Humphreys Withdraws.

Judge A. S. Humphreys has withdrawn his appearance in several suits now pending in the Circuit Court, entering that of F. W. Hankey in his stead.

#### Oath of Office Filed.

S. Hookano, district magistrate of Ewa, Island of Oahu, has filed his oath of office with Henry Smith, clerk of the Territorial Supreme Court.

#### Trust Company As Guardian.

The Hawaiian Trust & Investment Co. was yesterday appointed administrator of the estate of Alexander Chisholm, on motion of H. A. Bigelow, attorney for the heirs. The estate is valued at about \$1,000, and the heirs are Mrs. Chisholm and two half-sisters living in Nova Scotia.

#### Guardian Appointed.

T. S. Kalama was yesterday appointed guardian of Marakii Kaupupu Wai-lani, a minor, by Judge Stanley. The estate consists of two pieces of property at Waiholo, Oahu, a share in the Aupuna of Waiholo, and \$25.45 in the Postal Savings Bank.

#### ISLANDS DISTRICTED.

Four General Divisions Under School Department Decided.

According to a plan presented by Superintendent Atkinson to the Council yesterday the islands will be divided into four general school districts over which an inspector and normal instructor will preside. These districts will probably be as follows: First, Kauai; second, Oahu; third, Maui, Molokai and Lanai; fourth, Hawaii. Inspector General H. S. Townsend will be appointed inspector and normal instructor for one district, probably that of Oahu. A resolution embodying this idea of districting the islands was introduced by Superintendent Atkinson in the Council and was passed by unanimous vote. By its provisions the inspectors are required to inspect and instruct each twice a year and interchange with each other at stated intervals.

#### HAWAII'S EXHIBIT AT PARIS FAIR

Secretary George C. Potter Writes Concerning Display.

Major George C. Potter, Secretary of the Hawaiian Commission to the Paris Exposition, arrived in Paris sometime ago, and immediately commenced the installation of the Hawaiian Exhibit in the space allotted to this country. He is residing at number 25 Avenue Rapp, Paris, and make his headquarters at the offices of the American Commission. Under date of June 8 he writes to Robert W. Shingle in this city in regard to the location of the Hawaiian Exhibit. He says: "Our exhibit has

MAJ. GEORGE C. POTTER.

arrived at Havre and is now somewhere between that city and Paris, and I have concluded arrangements for its installation. We have been given space in the corridor of the right wing of the Trocadero next to Cuba. The space is narrow, being but 40 feet in length with an 18-foot high wall upon which to hang our pictures. I am fortunate to get even this amount of space; it was so late a time, and consequently I did not feel like kicking much. Mr. Skiff has been very kind in helping me in many ways. I am now very busy with contractors and decorators fitting things up. These Frenchmen are great procrastinators and it requires the patience of Job to get along with them and not grow gray. Although there is much work going on installing the different exhibits in the various buildings, the Exposition is practically complete and is visited by immense throngs daily. Let me have the daily paper—Pacific Commercial Advertiser—as there has been no news regarding Hawaii available here that I can find."

**THE BEST REMEDY FOR STOMACH AND BOWEL TROUBLES.**

"I have been in the drug business for twenty years, and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family, and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale by Benson, Smith & Co., Ltd., wholesale agents.

## Critical Times for Girls.

The first critical period in a woman's life comes at the passing of her girlhood. In nine cases out of ten where disease fastens itself upon her it does so at the line of demarcation between girlhood and womanhood. How to preserve the daughter's health—how to ward off disease at this crisis is the problem that confronts every mother of girls.

### Dr. Williams' Pink Pills for Pale People

are the best remedy to use at this critical period. Read this sworn statement of Mrs. J. M. Riggs, of Cartersville, Mo.

"My daughter Josie during the winter of 1897-98 suffered a complete break-down in health. She was thin and pale, had no appetite—in fact, some days barely tasting her food. Those who knew her condition said she was going into a decline."

"On the advice of a neighbor, we began giving her Dr. Williams' Pink Pills for Pale People. The effect on her condition was marvelous. Before she had taken half a box her condition was improved, and she kept on gaining appetite, strength and flesh until she was entirely well. She took three boxes of the pills and to-day there is not a healthier, more robust looking girl in Cartersville. She is fleshier and healthier than ever before in her life."

Mrs. J. M. Riggs.

Subscribed and sworn to before me a Notary Public, this 15th day of October, 1898.

WILLIAM WOLCOTT, Notary Public.

Dr. Williams' Pink Pills for Pale People are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' Dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, all forms of weakness, in either male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent, postpaid, on receipt of price, 50c. a box or six boxes for \$2.50 (they are never sold in bulk or by the 100) by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
